Hi Deb,

I submitted R8's bowling chart for March. I spoke with Nancy Morlock and she was confused about how to enter the target, so we fixed that. I also realized that Brownfields had the national numbers in for targets, so I fixed that where I could. Danny is out of the office, so I will get with him next week to put in some actuals. I also highlighted the measures that we aren't required to report on yet.

I attached a copy for you and if you would like to see the other submissions, you can view the SharePoint site below.

Subject: Reminder: Bowling Charts Due Friday, March 16

Hi all:

This is a friendly reminder that your EPA Lean Management System (ELMS) bowling charts are due by COB Friday, March 16.

- When your bowling chart is ready, please upload it to the [ELMS Reporting SharePoint](#) folder labeled “March 2018 Bowling Charts.” The folder is on the right hand side of the page.
- Please use the following naming convention for your bowling chart’s file name: “OFFICE ABBREVIATION – Month Year” e.g., OCSPP – March 2018.
- Please note that you should be receiving FTE information for the On-Board agency-wide measure very soon.

Please feel free to contact me with any questions you may have.

Thanks very much,
Kevin
